VIRTUAL SCAVENGER HUNT

You have 20 minutes — ready, set, go!

How to Play

1. **Go to the Virtual Scavenger Hunt Folder (link in Teams chat).**
2. **For each item below, either upload a photo or screenshot and save it in the subfolder labelled with your name.**
3. **Name each file like this: Item01_Typography.jpg**
4. **Use a different photo for every item — no repeats!**
5. **When time is up, stop uploading — you might be picked to share one find with the class!**

The List — Go Find These!

#	Category	What to Find	Pts
1	Typography	Find 3 different fonts around your home (packaging, books). Say which is serif, display/decorative, or script.	10
2	Colour Theory	Screenshot a website/app that uses complementary colours (opposite on the colour wheel).	10
3	Composition	Take a photo using the Rule of Thirds — don't put your subject in the middle!	15
4	Branding	Photograph 2 logos from home. What does each one tell you about the brand?	10
5	UI/UX	Screenshot a confusing app/website menu. Explain why it's confusing in 1 sentence.	15
6	Photography	Take a close-up (macro) photo that makes something hard to recognise.	15
7	Digital Citizenship	Screenshot a privacy setting or permission request from an app.	10
8	Contrast	Photograph something using strong colour contrast (like a stop sign).	10
9	Critique	Find something UGLY — a bad colour combo or messy design. Be ready to say why!	15
10	Storytelling	Take one photo that tells a story — no caption needed.	20
11	Symmetry / Pattern	Photograph OR find online an image with symmetry or a repeating pattern.	10
12	Speed Bonus	Be one of the first 3 to finish everything!	+15
13	Camera Roll	Already have a photo? Share ONE from your camera roll of: an object, a flower/tree/plant, a landscape, the sky, or an animal.	10

Max score: 150 pts + 15 speed bonus = 165 pts. Have fun!
