Sample solution

Flow chart: handling a customer complaint

Organisation: Bayside Internet Services N.V.
Portfolio element: Display: Flow Chart using Word Processing Software
Scenario: chart-8

Model answer · Teacher's Version

How this meets the marking criteria

Criterion	Marks	Where it is met in this solution
Narrow margins (1.27 cm / 0.5 in) applied	**1 KC**	Page Setup: A4 landscape, all four margins 1.27 cm (Narrow); the title and the chart sit inside them.
A4 landscape orientation with the correct layout of the chart: one clear direction of flow from START to END, fitted on one page	**1 APP**	A4 landscape, one page: the main flow runs top to bottom in one column from START to END, with the two side branches to the right of the main line.
Correct standard symbols: terminators for START and END, rectangles for processes, parallelograms for input/output and diamonds for the two decisions (mailability d)	**1 APP**	Terminators for START and END, rectangles for the processes, parallelograms for the three input/output steps (receive the complaint, create and e-mail the ticket, e-mail the survey) and diamonds for the two decisions.
All 10 main steps in the correct sequence; every decision exit labelled YES or NO; the first-contact branch rejoining at the survey step and the escalation loop back to the 48-hour check shown (mailability e)	**1 APP**	Steps 1–10 in order; YES/NO on every decision exit; the first-contact YES branch ("Solve the problem…") rejoins the main flow at the survey step; the senior-technician NO loop returns into the flow line just above the 48-hour decision.
Arrowed connectors that do not cross, consistent fonts and shape sizes, centred title; free of typographical and spelling errors (mailability a, b, g)	**1 APP**	Arrowed connectors that never cross; Calibri 10 pt in every shape; shapes of the same kind the same size; title centred in bold capitals 16 pt; customer's and e-mail typed as in the copy.
Total	**5**	**Every criterion is met in full.**

Files in this pack: chart-8 - Sample solution.pdf; complaint flow chart.docx.

Document page: the chart page follows this cover exactly as printed (A4 landscape, 1.27 cm margins). In the Word file the 12 shapes, the connectors and the labels form one grouped drawing, so the chart stays in place and every box can still be edited (ungroup with Shape Format › Group › Ungroup).
