Printing and folding: the two pages after this cover are the two sides of the A4 card exactly as Word prints a Book fold document: first the outside (back cover on the left, front cover on the right), then the inside (pages 2 and 3). Print on both sides, flipping on the short edge, then fold the card in half. The art border is Word's "Triangle Party (red, gold and green)" border (Page Borders › Art); each page is centred vertically (Layout › Vertical alignment: Center).

Emancipation on the Dutch side of the island was proclaimed on 1 July 1863.
Tonight we honour those who fought for freedom.
