Printing and folding: the two pages after this cover are the two sides of the A4 card exactly as Word prints a Book fold document: first the outside (back cover on the left, front cover on the right), then the inside (pages 2 and 3). Print on both sides, flipping on the short edge, then fold the card in half. The art border is Word's "Deco Arch (dark green)" border (Page Borders › Art); each page is centred vertically (Layout › Vertical alignment: Center).
