Sample solution

Invitations to interview for job applicants

Organisation: Great Bay Marine Supplies Ltd
Portfolio element: Mail Merge – (a) Primary Document (b) Data Source (c) Final Merged Documents
Scenario: merge-3

Model answer · Teacher's Version

How this meets the marking criteria

Criterion	Marks	Where it is met in this solution
Data source: all 8 field names present and spelt as given (Title, FirstName, LastName, Address1, Address2, Position, InterviewDate, InterviewTime)	**2**	Data Source (p. 3): row 1 of worksheet Applicants holds the 8 field names exactly as given – Title, FirstName, LastName, Address1, Address2, Position, InterviewDate, InterviewTime – with no spaces inside a name.
Data source: all 6 records entered completely and accurately	**2**	Data Source (p. 3): rows 2–7 hold all 6 records, keyed as shown in (b) (accents, "Mr and Mrs", currency symbols and commas kept as text so they merge unchanged).
Data source saved and labelled correctly as Interview Applicants Data	**1**	Saved as **Interview Applicants Data.xlsx**; the printout carries the header "Data Source: Interview Applicants Data" and the footer label "Data Source" with the candidate's name.
Primary document: date (26 October 2026) correctly placed	**1**	Primary Document (p. 2): the date is keyed at the left margin one blank line below the letterhead, with no punctuation (open punctuation).
Primary document: inside address built from merge fields («Title» «FirstName» «LastName», «Address1», «Address2», St. Martin)	**1**	Primary Document (p. 2): inside address lines are real MERGEFIELD codes – «Title» «FirstName» «LastName», «Address1», «Address2», St. Martin – one item per line, no end punctuation.
Primary document: salutation with merge fields (Dear «Title» «LastName»)	**1**	Primary Document (p. 2): "Dear «Title» «LastName»" with one space between the fields and no comma; merged, it reads e.g. "Dear Ms Arrindell".
Primary document: body complete with merge fields «Position» (in the subject heading and the first paragraph), «InterviewDate» and «InterviewTime» in the correct places	**1**	Primary Document (p. 2): the subject heading and body paragraphs are keyed in full with «Position» (2×), «InterviewDate», «InterviewTime» placed exactly as in (a); one blank line between paragraphs (block style).
Primary document: closing complete (Yours sincerely, signature space, Ms Joy Hendrickson, Human Resources Officer)	**1**	Primary Document (p. 2): "Yours sincerely" (no comma), a four-line signature space, then the name and designation.
Final merged document: 6 letters, one per record, each starting on a new page	**1**	Merged Documents (pp. 4–9): 6 letters, one per record in data-source order; each letter starts on a new page and fits on one A4 page.
Final merged document consistent with the data source: every letter shows its own record's data in every field (for example, Mr Jean-Luc Lafleur – Marigot – Accounts Clerk – Wednesday, 11 November 2026 – 9:00 a.m.)	**1**	Merged Documents (pp. 4–9): every field on every page was checked against its own record (automated text comparison of the printout) – Mr Jean-Luc Lafleur – Marigot – Accounts Clerk – Wednesday, 11 November 2026 – 9:00 a.m. included.
Mailable merged letters (guidelines a, d, f): no doubled or missing spaces or punctuation around merge fields, no typographical errors	**1**	Single spaces between fields on the same line, no space before 's, punctuation kept round fields; spelling and figures proofread – every letter is mailable.
Total	**13**	**Every criterion is met in full.**

Files in this pack: merge-3 - Sample solution.pdf; Primary letter – Interviews.docx; Interview Applicants Data.xlsx; Merged letters – Interviews.docx.

The data source is supplied as an Excel workbook (Word's Type a New List saves an Access .mdb file); to run the merge again, open the primary letter and choose Mailings › Select Recipients › Use an Existing List.
