Sample solution

Book grant award letters to secondary students

Organisation: Seagrape Education Fund, Sint Maarten
Portfolio element: Mail Merge – (a) Primary Document (b) Data Source (c) Final Merged Documents
Scenario: merge-6

Model answer · Teacher's Version

How this meets the marking criteria

Criterion	Marks	Where it is met in this solution
Data source: all 8 field names present and spelt as given (Title, FirstName, LastName, Address1, District, School, GrantAmount, CollectionDate)	2	Data Source (p. 3): row 1 of worksheet Recipients holds the 8 field names exactly as given – Title, FirstName, LastName, Address1, District, School, GrantAmount, CollectionDate – with no spaces inside a name.
Data source: all 6 records entered completely and accurately	2	Data Source (p. 3): rows 2–7 hold all 6 records, keyed as shown in (b) (accents, "Mr and Mrs", currency symbols and commas kept as text so they merge unchanged).
Data source saved and labelled correctly as Book Grant Recipients	1	Saved as **Book Grant Recipients.xlsx**; the printout carries the header "Data Source: Book Grant Recipients" and the footer label "Data Source" with the candidate's name.
Primary document: date (15 September 2025) correctly placed	1	Primary Document (p. 2): the date is keyed at the left margin one blank line below the letterhead, with no punctuation (open punctuation).
Primary document: inside address built from merge fields («Title» «FirstName» «LastName», «Address1», «District», Sint Maarten)	1	Primary Document (p. 2): inside address lines are real MERGEFIELD codes – «Title» «FirstName» «LastName», «Address1», «District», Sint Maarten – one item per line, no end punctuation.
Primary document: salutation with merge fields (Dear «Title» «LastName»)	1	Primary Document (p. 2): "Dear «Title» «LastName»" with one space between the fields and no comma; merged, it reads e.g. "Dear Ms Richardson".
Primary document: body complete with merge fields «GrantAmount», «School» and «CollectionDate» in the correct places	1	Primary Document (p. 2): the subject heading and body paragraphs are keyed in full with «GrantAmount», «School», «CollectionDate» placed exactly as in (a); one blank line between paragraphs (block style).
Primary document: closing complete (Yours sincerely, signature space, Mrs. Yvonne Brooks-Hazel, Chairperson)	1	Primary Document (p. 2): "Yours sincerely" (no comma), a four-line signature space, then the name and designation.
Final merged document: 6 letters, one per record, each starting on a new page	1	Merged Documents (pp. 4–9): 6 letters, one per record in data-source order; each letter starts on a new page and fits on one A4 page.
Final merged document consistent with the data source: every letter shows its own record's data in every field (for example, Ms Priya Ramchandani – Sandbox Tree College – XCG 750.00 – Thursday, 25 September 2025)	1	Merged Documents (pp. 4–9): every field on every page was checked against its own record (automated text comparison of the printout) – Ms Priya Ramchandani – Sandbox Tree College – XCG 750.00 – Thursday, 25 September 2025 included.
Mailable merged letters (guidelines a, d, f): no doubled or missing spaces or punctuation around merge fields, no typographical errors	1	Single spaces between fields on the same line, no space before 's, punctuation kept round fields; spelling and figures proofread – every letter is mailable.
Total	**13**	**Every criterion is met in full.**

Files in this pack: merge-6 - Sample solution.pdf; Primary letter – Book Grants.docx; Book Grant Recipients.xlsx; Merged letters – Book Grants.docx.

The data source is supplied as an Excel workbook (Word's Type a New List saves an Access .mdb file); to run the merge again, open the primary letter and choose Mailings › Select Recipients › Use an Existing List.
