Sample solution

Membership renewal reminder letters

Organisation: Bayfront Fitness Club, St. Kitts
Portfolio element: Mail Merge – (a) Primary Document (b) Data Source (c) Final Merged Documents
Scenario: merge-8

Model answer · Teacher's Version

How this meets the marking criteria

Criterion	Marks	Where it is met in this solution
Data source: all 9 field names present and spelt as given (Title, FirstName, LastName, Address1, Village, MemberNo, Plan, ExpiryDate, RenewalFee)	**2**	Data Source (p. 3): row 1 of worksheet Renewals holds the 9 field names exactly as given – Title, FirstName, LastName, Address1, Village, MemberNo, Plan, ExpiryDate, RenewalFee – with no spaces inside a name.
Data source: all 7 records entered completely and accurately	**2**	Data Source (p. 3): rows 2–8 hold all 7 records, keyed as shown in (b) (accents, "Mr and Mrs", currency symbols and commas kept as text so they merge unchanged).
Data source saved and labelled correctly as Renewals March April 2026	**1**	Saved as **Renewals March April 2026.xlsx**; the printout carries the header "Data Source: Renewals March April 2026" and the footer label "Data Source" with the candidate's name.
Primary document: date (2 March 2026) correctly placed	**1**	Primary Document (p. 2): the date is keyed at the left margin one blank line below the letterhead, with no punctuation (open punctuation).
Primary document: inside address built from merge fields («Title» «FirstName» «LastName», «Address1», «Village», St. Kitts)	**1**	Primary Document (p. 2): inside address lines are real MERGEFIELD codes – «Title» «FirstName» «LastName», «Address1», «Village», St. Kitts – one item per line, no end punctuation.
Primary document: salutation with merge fields (Dear «Title» «LastName»)	**1**	Primary Document (p. 2): "Dear «Title» «LastName»" with one space between the fields and no comma; merged, it reads e.g. "Dear Mr Liburd".
Primary document: body complete with merge fields «Plan», «MemberNo», «ExpiryDate» and «RenewalFee» in the correct places	**1**	Primary Document (p. 2): the subject heading and body paragraphs are keyed in full with «Plan», «MemberNo», «ExpiryDate», «RenewalFee» placed exactly as in (a); one blank line between paragraphs (block style).
Primary document: closing complete (Yours sincerely, signature space, Ms. Janelle Wilkes, Membership Manager)	**1**	Primary Document (p. 2): "Yours sincerely" (no comma), a four-line signature space, then the name and designation.
Final merged document: 7 letters, one per record, each starting on a new page	**1**	Merged Documents (pp. 4–10): 7 letters, one per record in data-source order; each letter starts on a new page and fits on one A4 page.
Final merged document consistent with the data source: every letter shows its own record's data in every field (for example, Dr Rohan Phipps – BFC-1095 – Premium Annual – 18 April 2026 – EC$1,350.00)	**1**	Merged Documents (pp. 4–10): every field on every page was checked against its own record (automated text comparison of the printout) – Dr Rohan Phipps – BFC-1095 – Premium Annual – 18 April 2026 – EC$1,350.00 included.
Mailable merged letters (guidelines a, d, f): no doubled or missing spaces or punctuation around merge fields, no typographical errors; "EC$" typed once in front of «RenewalFee»	**1**	Single spaces between fields on the same line, no space before 's, punctuation kept round fields; EC$ is typed once, directly before the field, so it never doubles; spelling and figures proofread – every letter is mailable.
Total	**13**	**Every criterion is met in full.**

Files in this pack: merge-8 - Sample solution.pdf; Primary letter – Renewals.docx; Renewals March April 2026.xlsx; Merged letters – Renewals.docx.

The data source is supplied as an Excel workbook (Word's Type a New List saves an Access .mdb file); to run the merge again, open the primary letter and choose Mailings › Select Recipients › Use an Existing List.
